

try to save your prize

dives into string chaos hell at some point?

there isnt going to be a next time  
try to save your house  
try to save your car  
precious pictures  
your pictures  
try to hold the moment  
to last forever  
forever

try to let the paint dry  
your number one  
your number one  
its happening again  
make it go away  
try to clear the stain  
try to wash the carpet

there isnt going to be a next time  
try to save your place  
all the things you worked for  
your precious career  
like rats from a sinking ship.

unlikely to get hauled in for questioning.  
immune to prosecution.  
(diplomatic immunity/care in the community)  
and the joke is you think that your immune. x2  
one day when im looking where im looking into your eyes  
did i forget to say i loved you?

im on the phone i havent got long.  
i have to move everything upstairs.

in the hold or on a stretcher  
caught with both your hands in the till  
doesnt like awkward questions  
good at evading the question  
you seem to think you is immune  
but has he had the vaccine?

the trouble is we don't trust you anymore.  
the trouble is we don't trust you anymore.

he's on the way to hospital  
its not a good time right now  
its not a good time right now

if nobody ever tells you different  
trouble will not like you wrecking his plans  
trouble will use every opportunity to slide away.

you should a took him out while you had the chance.  
you should a took him out while you had the chance.

i wish you would take your medicine.  
you need to take your medication.

try to buy a place in the sky  
try to break the sound barrier  
the speed of light

mach 1  
try to save your honoraray  
awards speech

id like to thank.....  
try to maintain an even keel  
try to save your house.

try to save your car.  
try to let the paint dry.  
im your number 1.

have i ever let you down?  
try to save the loved ones.  
from the coming storm,

it is happening again happening again happening again  
you wish you could make it go away  
you forgot to take your medicine

try to clear the stain off  
try to wash the carpet  
youll never get off the rug  
wipe it on on thr carpet
